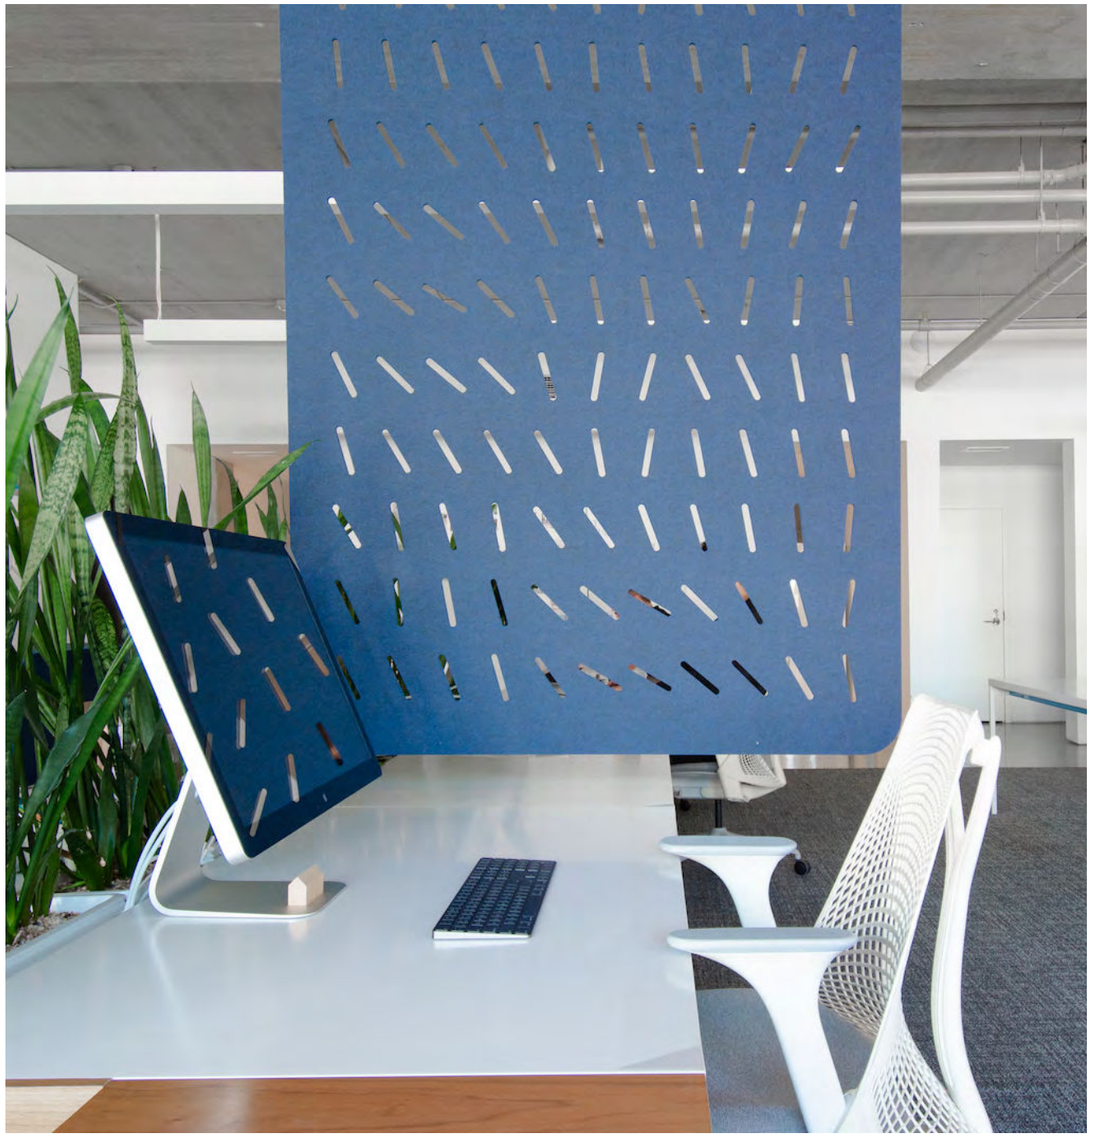
GRAVITY

Acoustic division from above



LOFTWALL

With Gravity, you can drop in privacy anywhere. Available with a variety of ceiling and floor mounts, Gravity was designed to work wherever you need focus. And with panels manufactured from recycled plastic, Gravity combats office noise with a green story you can be proud of. Watch out, Gravity is a force to be reckoned with.

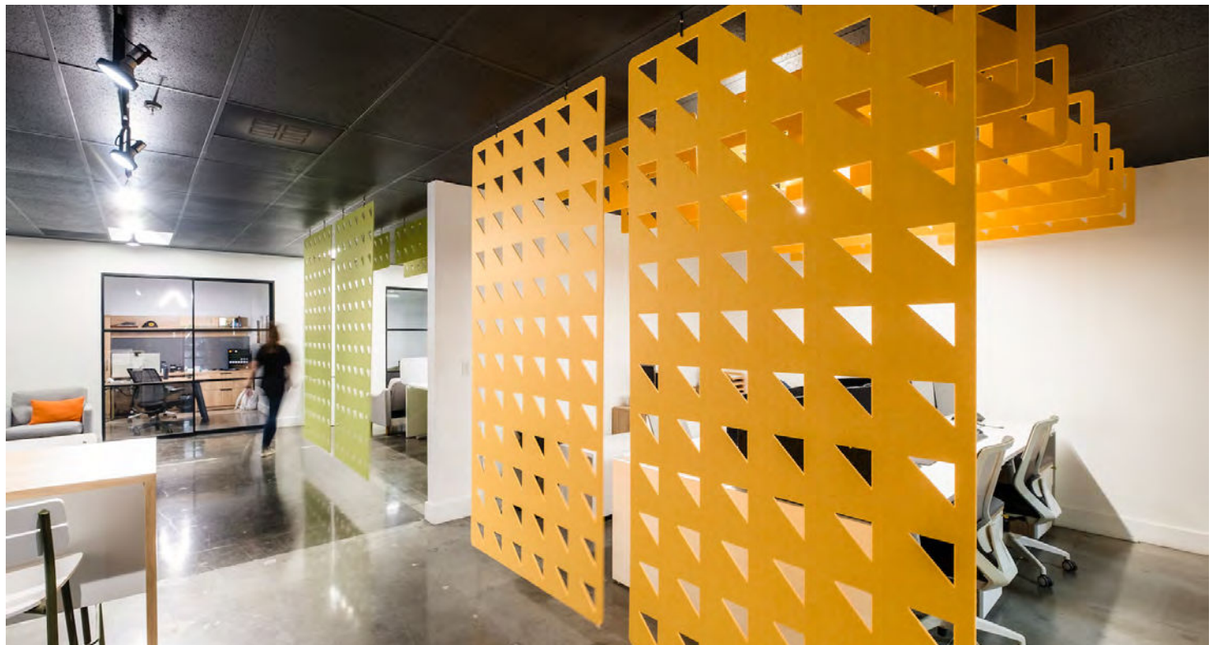
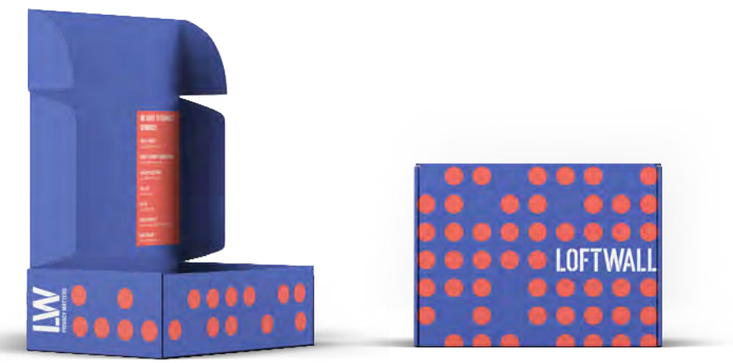
ACOUSTIC, VISUAL AND TERRITORIAL PRIVACY

The unique applications, designs, and sizes allow Gravity to solve the three core privacy problems in the modern office. Minimize visual distractions, give yourself space to think, and let gravity absorb some of the chatter about Chad's week-end plans while you get to work.



ORDER A SAMPLE KIT



With many finishes available, our sample kits are the best way to experience Gravity before purchasing. They're free to order and ship out this week. Just scan the QR code to get started!
