

SPLIT

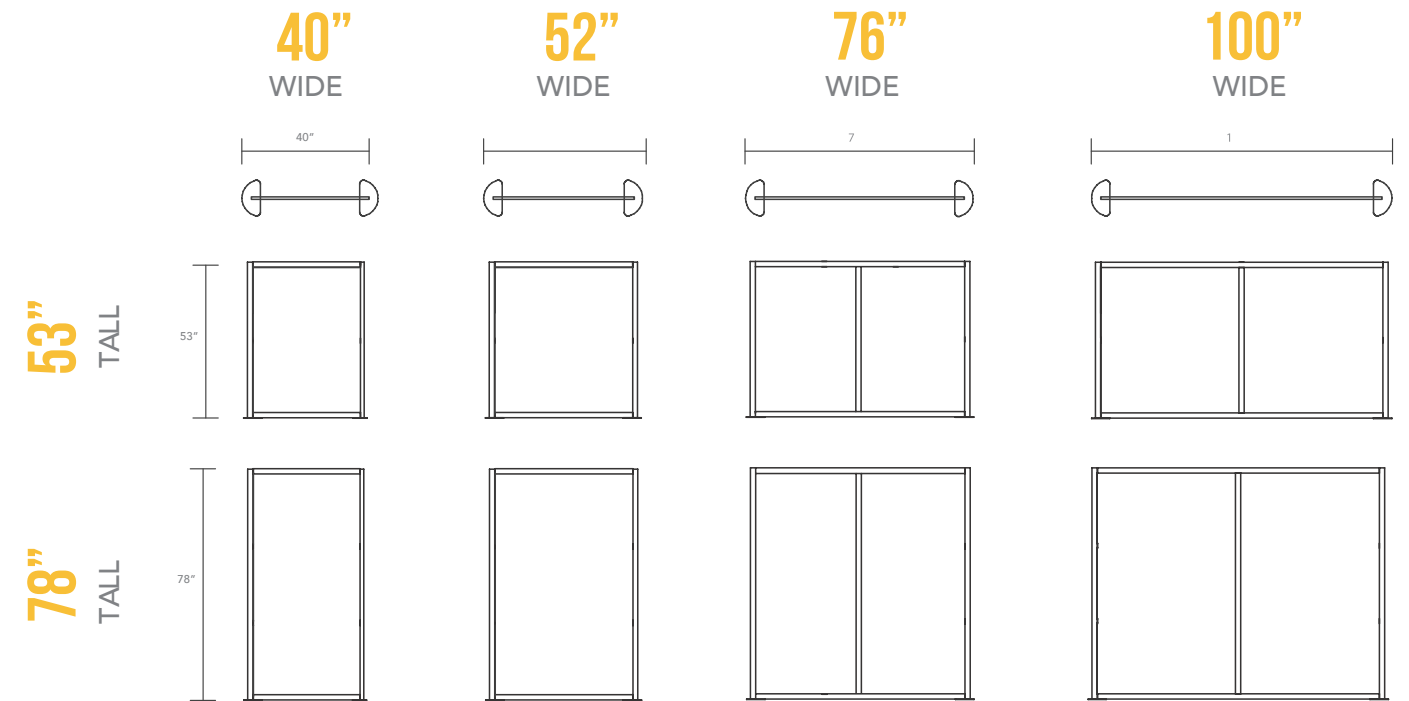

Light on hardware, heavy on design

LOFTWALL

You know how movies at a movie theaters are just better? Maybe it's the popcorn, maybe it's the surround sound, or maybe it's the HUGE screen. At Loftwall, we think it's the latter. So sit back, recline your chair and enjoy the IMAX size panels of Split.

PRIVACY HAS NEVER LOOKED SO GOOD

Quickly and simply dividing space is now normal, and we're ready to help you adjust to that reality. Split is the simplest way to divide space in an office, waiting room, cafeteria, training room, conference room, arcade, gym, salon, in a cave, on a mountain, or even at Disney World (seriously, can someone let Mickey know about Split?).
