WHO WE ARE: OBSESSED WITH PRIVACY

Loftwall designs and manufactures privacy furniture for a myriad of applications. With privacy partitions, desk screens, baffle systems, free-standing rooms, and more, Loftwall's mission is to solve the privacy problems of the modern workplace.

All Loftwall product is proudly manufactured at our headquarters in Grand Prairie, TX. With a built-to-order approach and cross-

trained labor, Loftwall's lead times mean that privacy solutions can ship to customers in days, not weeks or months.

With over a decade of experience, Loftwall has served Fortune 500 companies, public universities, and many arms of the federal government in their quest to give their teams focus and places to get their best work done.
