Tango wallcoverings

Pricing

While specific Tango panel prices vary by shape and size, panels roughly follow a \$33 per square foot pricing structure.

Typicals

Tango is available in eight unique shapes, two unique sizes (large and small), and a variety of styles. For an added design flair, select panels can be outfitted with a series of beveled lines - we refer to this pattern as "corduroy". Panels with full corduroy will have SKUs featuring "FP", half corduroy panels will be "HP", and no corduroy will be "NP". The X's in each SKU refer to the finish of the panel. For a complete list of finishes, please visit loftwall.com/tango.
