About Loftwall

Loftwall designs and manufactures privacy solutions that help people focus — at work, school, or home. Our mission is to improve spaces with intuitive, US-made products crafted with conscious capitalism and sustainable practices.

The OMNIA Partners Advantage

OMNIA Partners simplifies procurement for public agencies. Our competitively solicited cooperative purchasing contracts deliver efficiency, compliance, and value so you can get what you need without the hassle. By utilizing these cooperative agreements, agencies eliminate duplication of effort, saving valuable time, money, and resources.
